

Bedford Town Centre Statues

By Stuart Antrobus

This well-illustrated booklet is a celebration of Bedford's remarkable public sculptures

Did you know that the John Howard statue in St Paul's Square was sculpted by the artist who created the famous Eros statue in London? That the War Memorial statue on the Embankment of a crusader figure is really a woman? And the famous statue of John Bunyan was made from melted-down Chinese cannon?

£5.00: from Bedford Tourist Information Centre, Higgins Museum & Bunyan Museum Shops
